

USO Donations

The tremendous support for our troops further represented by many employees continuing to wear RED every Friday, prompted a drive for troops abroad in 2016. With the items collected, Accurate Box was able to send large packages to USO locations in California and overseas to Italy, Djibouti, and Afghanistan in time for the holiday season and the new year so that troops could have a taste of home even though they are away from home.

The collection brought in over 230lbs of food and supplies. The program was such a success that it will become a reoccurring event in the future. Thank you to all that donated and all that continue to wear RED every Friday. Accurate Box will continue to Remember Everyone Deployed until they all return home.

January 2017

Accurate Box Company,

It's difficult to express our appreciation for the care package that you all put together. Most of us stationed overseas don't see such kind gestures often, so we thank you for making this holiday season more joyful. When I received the box I couldn't believe what I was looking at! It was way more than I could wrap my head around. The thoughtfulness that went into putting so many desirable items together was remarkable. And because of all of you, sailors overseas were smiling. I knew that personally I smiled for days and still continue to while reminiscing on their excitement. I wish we could do more to thank you for thinking of us. You all made being away from home easier, and my gratitude alone is immeasurable. May you be blessed with a wonderful 2017!

—Miss Millie
